On February 20, 2010, 18 high schools will gather to take part in the Region 8 Governor's Cup competition, an academic event sponsored by the Kentucky Association for Academic Competition. Participating schools are: Boone County High School, Carroll County High School, Conner High School, Cornerstone Christian Academy, Gallatin County High School, Grant County High School, Henry County High School, North Oldham High School, Oldham County High School, Owen County High School, Randall K. Cooper High School, Ryle High School, Shelby County High School, South Oldham High School, St. Henry District High School, Trimble County High School, Walton Verona High School, Williamstown High School. This is the first time a Northern Kentucky school has been asked to host in the past ten years. We want to thank community businesses such as Chipotle, Beef-O-Brady's, Rafferty's, Citibank, and Target for their generous help in providing a hospitality room for the schools' coaches and volunteers.

Governor's Cup features eight events, including the Quick Recall event, which is the only one open to the public. Quick Recall begins at 10:45 AM. An Awards Ceremony will follow the final Quick Recall match where the winners and top finishers in each of the eight events will be celebrated.

Upon event completion, results will be available at www.kaac.com .

Regional winners advance to the Kentucky Academic Championships in Louisville March 13-15.
